4) Roturn the equipment to the Lossor

\$1 Out

1) Purchase the equipment for \$1.00.

When you choose to lease, there may be no greater advantage than the ability to purchase more equipment and services through a financed structure compared to a cash purchase. This added buying power allows you to get more of the solution you need to meet the goals of your organization. Other benefits include:

Finance the Entire Solution: Technology Obsolescence: Predictable, Monthly Payments: Tax & Accounting Benefits: Easier Budget Forecasting:

We can finance hardware, software, services, installation, training and more.

Avoid the full cost of ownership of equipment that becomes obsolede due to technology advances. Leasing enables you to pay over time, rather than invest a tump sum up front.

Payments may be tax deductible. See your tax and accounting advisor to confirm the benefits, Fixed monthly payments allow to you accurately forecast budgets now and in the future,

Terms I) Quotura valud (or, and must bind waver, 30 days from casuance, b) Quote as good for new ecupment only, (ii) Quote does not motivate applicable bases, which may be billed in addition to the monthly payment, (ii) All quotes and wanesations are subject to London Francial Solvies credit documentation and equipment configuration review and approval. (i) Rates subject to change which may be billed in addition to the monthly payments may reflect mainthly pass brough payments for exercise. (ii) All provisions are subject to a \$15 CO Documentation Fige.

Please contact me should you have any questions about your finance options

I look forward to working with you and designing a finance solution to fit your needs.
